The Invitation that Changes Everything...

VIP RECEPTION 6PM | MAIN EVENT 7PM

The GOLDEN TICKET

An invitation that changes everything.

It starts with a ticket.
A small, unassuming piece of gold...
that changes everything.
In stories, it opens doors to wonder, possibility,
and a world beyond imagination.
But for the children we serve, the need is far greater.
Because for them, the right moment,
the right intervention,
the right person showing up...
is the difference between surviving and truly being free.
This year, we invite you to step into a story where you hold
THE GOLDEN TICKET.
Not just to enter a room...
but to open doors for a child who has never been given one.
Because every child deserves the moment that changes everything.
